About Jericho Oil Corporation

Jericho is a growth-oriented oil and gas company engaged in the acquisition, exploration, development and production of overlooked and undervalued oil properties in the Mid-Continent. For more information, please visit www.jerichooil.com.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into several influential conferences annually.

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com/events for more information.
