### **About Jericho Oil Corporation**

Jericho Oil ([www.jerichooil.com](http://www.jerichooil.com)) is focused on domestic, liquids-rich unconventional resource plays, located primarily in the Anadarko basin STACK play of Oklahoma. Jericho’s primary business objective is driving long-term shareholder value through the growth of oil and gas production, cash flow and reserves. Jericho has assembled a 55,000 net acre position across Oklahoma.

Jericho’s current operations are focused on various oil plays primarily in Oklahoma, with an acquisition focus on oil producing properties in North America.

Cautionary Note Regarding Forward-Looking Statements: This news release includes certain "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and Canadian securities laws. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual events and results to differ materially from Jericho's expectations include risks related to the exploration stage of Jericho's project; market fluctuations in prices for securities of exploration stage companies; and uncertainties about the availability of additional financing.
